

Sulehi Jhaveri Torres

Spring Hill, TN 37174

815-557-4513 | sulehijhaveri@gmail.com

EDUCATION

Tennessee Technological University - Cookeville TN | Bachelor of Science

- Graduation: May 2028

PROFESSIONAL SUMMARY

At Thompson Station Church, I honed my leadership and organizational skills, leading worship services and coordinating teams with a positive attitude. My role demanded adaptability, effective time management, and a collaborative spirit, achieving harmonious service flow and enhancing community engagement. It is these skills that I bring to any environment that I am in; ready to be productive and efficient. Seeking an electrical engineering internship.

SKILLS

- Positive attitude
- Teamwork and collaboration
- Organized and efficient
- Problem-solving
- Leadership qualities
- Time management
- Adaptability and dependability
- Verbal and written communication
- Self motivation
- Spanish speaking at a professional level

EXPERIENCE

Church Volunteer | Thompson Station Church

Thompson's Station, TN - September 2021 - July 2024

Led worship service for the middle and high school students each week. Engaged in song selection, service flow coordination, and played the guitar and sang in the band. This position required weekly time set aside to plan and practice. Here I learned to work well with others and collaborate for a common goal. Time management skills were crucial for completing the task.
